History Along The Trail

Trail Rules, Safety and Etiquette

General

• Use wisely at your own risk. Services are limited.
• Non-authorized motorized use is prohibited.
• www.armstrongtrailstotrails.org for complete website for Armstrong Trail information.
• Device policy
• Open carry is allowed. • Check website for current conditions and trail alerts. • Please do not litter. RVTA is at what we pack in. Park discolored wheels only. Do not block. • Respect private property. Access trail at designated locations and intersections.
• Do not approach wildlife (bears, deer, etc.).
• Contact us for details on how you can help improve the trails.

Trail Quick Facts

• The trail follows Redbank Creek for 4.5 miles thru undeveloped, natural areas and forested areas.
• Connects with Armstrong Trail at Milepost 9 (Allegheny River) and Brookville at MP 41.5.
• It begins at an elevation of 825.4’ above sea level at the Sligo Tunnel trailhead and connects with the Allegheny River trail and ends at 221.5 as Mile Post 41.5.
• There are six bridges, two tunnel entrances, and one trailhead.
• The tunnels are:
  • Long Point at MP 8.4
  • Cherry Run Tunnel at MP 19.02
  • Redbank Creek Tunnel at MP 19.04
  • The trail is not open in the winter. Railgradation yields, trail location, and pedestrian safety is a primary concern.
• Hike and bike in groups of 4 or more to 814-275-2471, 814-275-1178, 814-275-9117, 814-275-7611, info@redbankvalleytrails.org or on Facebook.
• Bring an emergency kit for emergencies.

Bicycling

• Keep to the right except when passing. • Avoid sudden braking while passing. • Keep to the right except when passing.
• Avoid sudden braking while passing.

Pet & Horse Owners

• Pets must be leashed at all times.
• Remove waste from trail.

Crises Country Siding

• Visiters are asked to avoid walking in or off the trail.
