We would appreciate any information about the person, group or family memorialized, such as a story or history as to why the location was chosen, for possible inclusion in the history of the trail or for a trail marker.

Full payment of the pledge does not guarantee that the bridge will be built immediately. Construction is based on a plan to maximize use of the trail. Funds may be used for other trail needs if other funds for bridge building are obtained. After full payment of the pledge and after the bridge decking and railing have been installed, a tasteful memorial marker will be placed on or near the bridge. Payment of the full amount of the pledge entitles the donor to naming rights of a bridge only and does not constitute ownership of the bridge or any materials. Naming rights are awarded on a first come first served basis. Donations are nonrefundable.
