We would appreciate any information about the person or family memorialized, such as a story or history as to why the location was chosen, for possible inclusion in the history of the trail or for a trail marker.

Full payment of the pledge does not guarantee that the item will be built or purchased immediately. Construction and installation of amenities is based on a plan to maximize use of the trail. Funds may be used for other trail needs if other funds for materials or amenities are obtained. After full payment of the pledge and after the amenity has been installed, a tasteful memorial marker will be placed on or near the amenity or structure.
