Any such asset not so disposed of shall be disposed of by the Court of Common Pleas of the county in which the principal office of the corporation is then located or where the trail is located, exclusively for such purposes or to such organization(s), as said Court shall determine, which are organized and operated exclusively for such purposes.

ARTICLE XIII – INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1. Indemnification. The Association shall indemnify, to the fullest extent now or hereafter permitted by law (including but not limited to the indemnification provided by 42 Pa. Cons. State. S8365 of the Director's Liability Act contained in the Act of November 28, 1986, P.L. 1458, No. 145, as amended 1988, December 21, P.L. 1444, No. 177, S203, effective October 1, 1989), each person who was or is made a party to or a witness in or a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was an authorized representative of the Association, against all expenses (including excise taxes and penalties), and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding.

Section 2. The Association shall pay expenses (including attorneys' fees and disbursements) incurred by a person referred to in Section 1 hereof in defending or appearing as a witness in any civil or criminal action, suit or proceeding described in Section 1 hereof in advance of the final disposition of such action, suit or proceeding. The expenses incurred by such person shall be paid by the Association in advance of the final disposition of such action, suit or proceeding only upon receipt of an undertaking by or on behalf of such person to repay all amounts advanced if it shall ultimately be

determined that such person is not entitled to be indemnified by the Association for the reason set forth in Section 4 hereof.

Section 3. Indemnification of Other Parties. The Association may, as determined by the Board of Directors from time to time, indemnify to the fullest extent now or hereafter permitted by the law, any person who is not an authorized representative of the Association if threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of such person's activities in connection with the Association against all expenses (including attorneys' fees and disbursements), judgments, fines (including excise taxes and penalties), and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding. The Association may, as determined by the Board of Directors from time to time, pay expenses incurred by any such person by reason of his or her participation in any action, suit, or proceeding referred to in this Section 3 in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Association for the reason set forth in Section 4 hereof.

Section 4. Exception. Indemnification under this Article shall not be made by the Association in any case where a court determines that the alleged act or failure to act giving rise to the claim for indemnification is expressly prohibited by the Directors' Liability Act of November 28, 1986 P.L. 1458, No. 145, as amended 1988, December 21, P.L. 1444, No. 177, S203, effective October 1, 1989, or any successor statute as in effect at the time of such alleged action or failure to take action.

Section 5. Financial Authority. The Board of Directors shall have the power to borrow money on behalf of the Association, including the power to pledge the assets of the Association, to discharge the Association's obligation with respect to indemnification, the advancement and reimbursement of expenses, and the purchase and maintenance of insurance. The Association may, in lieu of or in addition to the purchase and maintenance of insurance referred to in Section 6 hereof, establish and maintain a fund of any nature or otherwise secure or insure in any manner its indemnification obligations, whether arising under or pursuant to this Article or otherwise.

Section 6. Insurance. The Association shall purchase and maintain insurance on behalf of each Director and Officer against any liability asserted against or incurred by such Director or Officer in any capacity, or arising out of such Director's or Officer's status as such, whether or not the Association would have the power to indemnify such Director or Officer against liability under the provisions of this Article. The Association shall not be required to maintain such insurance if it is not available on terms satisfactory to the Board of Directors, because either (i) the premium cost for such insurance is substantially disproportionate to the amount of coverage, or (ii) the coverage provided by such insurance is so limited by exclusions that there is insufficient benefit from such insurance. The Association may purchase and maintain insurance on behalf of any other person referred to in Sections 1 and 3 hereof against any liability asserted against or incurred by such person in any capacity, whether or not the Association would have the power to indemnify such person against such liability under provisions of this Article.

Section 7. Reliance on Indemnification. Each authorized representative of the Association shall be deemed to act in such capacity in reliance upon such rights of indemnification and advancement of expenses as are provided in this Article. The rights of indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which any person seeking indemnification or advancement of expenses may be entitled under any agreement, vote of disinterested Directors, statute or otherwise, both as to action in such person's official capacity and as

to action in another capacity while acting as an authorized representative of the Association and shall insure to the benefit of the heirs, executors and administrators of such person. Indemnification and advancements of expenses under this Article shall be provided whether or not the indemnified liability arises or arose from any threatened, pending or completed action by or in the right of the Association. Any repeal or modification of this Article by the Board of Directors of the Association shall not adversely affect any right or protection existing at the time of such repeal or modification to which any person may be entitled under this Article.

Section 8. Authorized Representative. For the purposes of this Article, the term “authorized representative” shall mean a Director, Officer, employee or agent of the Association, or a custodian, administrator, committeeman, or fiduciary of any employee benefit plan established and maintained by the Association, or a person serving another corporation, partnership, joint venture, trust or other enterprise in any of the foregoing capacities at the request of the Association.

ARTICLE XIV. ELIMINATION OF DIRECTORS’ LIABILITY

Section 1. Director’s Liability. A Director of the Association shall not be personally liable for monetary damages for any action taken or any failure to take any action, provided, however, that this provision shall not eliminate or limit the liability of a Director to the extent that such elimination or limitation of liability is expressly prohibited by the Directors’ Liability Act, 42 Pa. Con. Stat. SS8361 et. seq. contained in the Act of November 28, 1986, P.L. 1458, No. 145, as amended 1988, December 21, P.L. 1444, No. 177 S203, effective October 1, 1989, as in effect at the time of the alleged action or failure to take action by such Director.

Section 2. Repeal or Modification. Any repeal or modification of the Article by the members of the Directors of the Association shall not adversely affect any right or protection existing at the time of such Director may be entitled under this Article. The rights conferred by this Article shall continue as to any person who has ceased to be a Director of the Association and shall insure to the benefit of the heirs, executors and administrators of such person.

ARTICLE XV. MISCELLANEOUS
